## PROBATING OF WILL PROTESTED

Paul Shinn, Ward of James M. Gwinn  
Who Receives \$1,000 Under  
Its Terms, Files Objections

UNDUE INFLUENCE, HE SAYS

Bequests Include \$2,500 to Three  
Wards, \$2,500 to Two Churches  
and \$500 to Salvation Army

A suit objecting to the probating of the will left by James W. Gwinn, who died November 24 in this city, has been filed in the circuit court by C. W. Duncan, attorney, representing Paul Shinn, plaintiff in the case. The will was to be probated in the court yesterday, and the suit was filed a few minutes before in order to prevent the will from becoming public property.

Megee and Newbold, attorneys for the Gwinn estate, which is said to be valued at approximately \$35,000, today gave out the contents of the will, in which there were many beneficiaries mentioned.

According to the will, all property is to be sold and converted into cash, and then the distributions are to be made. According to the terms of the will, the Main Street Christian church is to receive \$2,000, the Ben Davis church \$500 and the Salvation Army \$500.

Approximately one-half of the money is to be distributed to the brothers and sisters of his deceased wife. In the list of bequests, he desired to give Mrs. May Bender, his nurse, the sum of \$2,000, and his two wards which he and his wife reared, Paul Shinn, the plaintiff in this action, and Fred Bennett, each \$1,000. John Simpson, another ward, was to receive \$500.

The suit as filed alleges that the will which is to be probated, as related above, is not the original will, and that it was made and obtained under influence, and that the deceased was of unsound mind when the will was executed.

According to the attorneys, the will which they have ready to be probated, was made on March 5 of this year, and that there were three co-cidils added, dated on March 10, May 4, and July 23. A will was made two years ago, on the day before he underwent a surgical operation, but this has been destroyed, they say, and the new will executed, according to the wishes of the deceased.

James Brown has been named as executor of the estate, and he is made defendant to the action to prevent the carrying out of the provisions as set forth in the will.

Paul Shinn, the plaintiff, who was reared by the deceased, alleges that he was to receive more than \$1,000 under the terms of a former will.

## TAGGART NOT A CANDIDATE

Makes Positive Statement at Meeting of State Conference

(By United Press)

Indianapolis, Ind., Dec. 3.—"The way for democrats to win is have more of them to vote the democratic ticket and not so dam many of them vote the republican ticket".

This picturesque statement was provided by Former Governor Ralston before the meeting of the democratic state committee and party leaders here today.

The most significant development at the meeting discussed the coming campaign was the positive assertion of Tom Taggart that he will not be a candidate for any office and that he would not accept any nomination and the statement by Ralston that he was not seeking any office again.

## 9 POUND GIRL BORN

Born to the wife of Ralph Moore of Carthage a nine pound baby girl. Tuesday. She has been named Arminia Jean. Mrs. Moore was formerly Miss Mae Rainey of this city.

## TO PREACH AT ORANGE

The Rev. Samuel Garphwell will conduct the morning services at the Orange Christian church Sunday morning.

## TESTIFIES FOR THE STATE

Fred Lovett, 16. Brother of Murdered Man, Witness in Case

Columbia City, Ind., Dec. 3.—Fred Lovett, 16-year-old brother of Leroy Lovett, testified for the state today in the trial of Fred Decker charged with complicity to collect \$24,000 life insurance by Leroy's death.

The boy told the court how he and his parents had seen Leroy leave home with Virgil at 11 o'clock one night and had not seen him for several days until they identified the body at Atwood undertaking parlors. By the boy's testimony the state attempted to show that Fred Decker and his brothers Virgil and Carl plotted with their mother to kill Lovett and collect the \$24,000 life insurance Virgil carried by falsely identifying the body as that of Virgil.

## DUKE DIVORCE CASE UNDER ADVISEMENT

Evidence is Heard by Judge Sparks  
in Circuit Court Today—Judgment on Note and Account

CLAIM FOR \$720 IS HEARD

The divorce suit of Clara Duke against Everett Duke was heard this morning in the circuit court, along with a few other legal transactions that took place this morning. The divorce matter was taken under advisement by the court.

The divorce suit of Orville Easley against Mattie Easley, local colored people, has been sent to Connersville on a petition for a change of venue by the plaintiff.

The case of Clarence J. Marsh against James H. Davis, executor of the estate of Clarinda Smith, was heard, and taken under advisement. The case was a petition for a claim amounting to \$720.

Judgment in the sum of \$187.71 was rendered this morning in the case of Coulter and Hunsinger against Gifford Cook, the amount being due on a note and account.

## SEALS CAMPAIGN MAKING PROGRESS

Two Days Work in Rushville Productive of \$72 in Seals and Health Bonds Sold

POSEY TOWNSHIP SENDS \$12

The first word from any of the townships regarding the Christmas Seals sale came from Posey township, which reported \$12 worth of the holiday stickers taken today. This was only a partial report and more will be forthcoming from the township, it is stated.

The first news of the progress of the campaign in Rushville was to the effect that \$72 worth of Health Bonds and Seals had been taken during the two days the sale has been carried on here. Sales in Rushville were as follows:

Walter E. Thomas \$5.00 Health Bond; Psi Iota Xi sorority, \$25.00 Health Bond; E. R. Casady, \$25.00 Health Bond; J. L. Cowing, \$5.00 Health Bond; William G. Mulno, \$1; Abercrombie Bros., \$1; Lowell H. Collyer, \$1; Mike Katsoras, \$1; Gunn Haydon, \$1; Frank Wilson & Co., \$5.00 Health Bond; Dr. Hale Pearsey, \$1; Homer Havens Grocery, \$1; Cash, .50; Johnson Drug Company, \$2; Anna L. Bohannon, \$10 Health Bond; A. L. Gary, \$1; George Wiltse \$5 Health Bond; Bert Mullin, \$1; John Kelly Grocery, \$1; Fred Hammer, \$1; R. H. Jones, \$2; William E. Bowen, \$1; Mrs. Willard Amos .50.

## ASSESSMENT IS CUT

At the November meeting of the Rush County Farmers' Insurance Association, held this week, the board decided to cut the rate for the next assessment one third. The board decided to make the cut, as they believed they could get along with the smaller amount.

## BIGGEST QUESTION REPORTED SOLVED

Two Hour Conference of "Big Three" Results in Scrapping of Anglo-Japanese Alliance

UP TO HOME GOVERNMENTS

Japan Said to Have Accepted 5-5-3 Naval Limitation Plan of The United States

By A. L. BRADFORD  
(Copyright 1921 by U. P.)  
(U. P. Staff Correspondent)

Washington, Dec. 3.—The Anglo-Japanese alliance is scrapped.

The United States, Great Britain and Japan and France enter into an understanding to take the place of the alliance.

Japan in view of the above conditions, accepts the 5-5-3 naval limitation plan of the United States.

These momentous steps in world affairs, the most important have been taken in the present conference on limitation of armament, have been virtually decided on by Hughes for the United States, Balfour for Great Britain and Kato, for Japan, it was learned today on highest authority.

This is a virtual decision because these steps have been submitted to the delegates here and only final word of approval from some of the governments is necessary before they are put into definite shape, promulgated to the world and formally adopted.

These great decisions were reached informally in a two hour conference last evening between the "big three" of the United States, Great Britain and Japan—Hughes, Balfour and Kato.

Thus are to be solved the most important questions before the limitation of armament conference. These steps by the great world statesmen, mean that the menace of the Anglo-Japanese alliance to the U. S. is to be removed, that war between the U. S. and Japan is to be made nearly impossible and that the Hughes plan for limitation of naval armament is to be definitely accepted.

"The understanding" between the United States, Great Britain, Japan and France is to have two main parts, the United Press is informed, as follows:

1—That these great powers pledge themselves to observe and maintain to the best of their ability the peace of the Pacific and the Far East.

2—To further that end and to lessen the chances of conflict among themselves, these powers agree to the non fortification of the Pacific islands.

Admiral Baron Kato, chief of the Japanese delegation last night immediately after the conference of the big three, sent an urgent cable message to his government in Tokio, asking authorization to accept the 60 naval ratio for Japan on the above stated conditions.

"Conditional acceptance" was said to have been given by Kato in the conference of the "big three."

Kato is understood to have stressed to Hughes and Balfour the necessity of Japan having a seventy percent naval ratio from the standpoint of national security without some guarantees such as non fortifications of the Pacific Islands and the new Pacific understanding.

The next plenary session of the conference will be a momentous one. It is then that Secretary Hughes is expected to announce as an accomplished fact the understanding between the four great powers to take the plans of the Anglo-Japanese alliance.

This will be Hughes second bombshell, the expected one on the great issues of the Pacific and the Far East. However this will differ from the first bombshell—the drastic proposal for cutting the great navies of the world—in that the foreign delegations concerned will know about it and will have agreed upon it in advance.

Hughes probably will preface his expected speech with the announcement if this is not made before hand that not only Great Britain but also Japan the double rule power, has accepted the 5-5-3 capital ship plan of the American program for limitation.

## JURY OUT FOR 19 HOURS; NO VERDICT

Fatty Arbuckle Spends Anxious Morning Walking in Corridor With Big Policeman

ONE JUROR IS HOLDING OUT

Report Which is Not Confirmed to The Effect That Jury Stands 11 to 1 For Acquittal

(By United Press)

San Francisco Cal., Dec. 3.—Nineteen hours ending soon after 11 a. m. had failed to bring from the jury any decision on the guilt or innocence of Fatty Arbuckle, famous film comedian on trial for manslaughter.

Arbuckle spent an anxious morning talking to a group of friends, smoking a cigaret and walking the corridor with a big policeman. His wife, Minta Durfee, remained quietly in the court room. The only flurry of the morning came at 11 a. m. when a bailiff suddenly called the court to order and Judge Lauderbach stepped to the bench but hopes which rose high were immediately dashed when the court proceeded with a short calendar on routine cases.

It was understood the judge was leaving the hall of justice pending call from the jury.

The case went to the jury late yesterday.

An hour passed and all that came from the jury room was a demand for dinner. Dinner was over and another hour went by. Then the jury called for a bailiff. It wanted to see the door of Arbuckle's room, an exhibit in the case bearing the finger prints of Roscoe and Virginia but it changed its mind before the door could be brought in.

Shortly after 11 p. m. Judge Lauderbach asked a bailiff for a report from the jury room. There was no verdict and the court room was cleared and the jury taken away for the night.

A report that one woman held out for conviction of the comedian against eleven for acquittal was credited by some.

Arbuckle, plainly under a terrific nervous strain, sat in a far corner of the court room, surrounded by friends. He said little but only pulled at a cigaret so hard when the jury was ordered locked up that the sparks flew from it.

Minta Durfee, his wife, came over to him. "Come on boys", she said. "Let's go home".

Arbuckle didn't seem to hear her. "Come, Roscoe, dear, let's go", she repeated in a tremulous voice, while her big eyes looked pleadingly at him.

The man of a million laughs stiffened a little, rose slowly from his chair and all but stumbled from the court room, seeing nothing but the pattern on the carpet.

As he entered the corridors there was a chorus of "Good night Roscoe" from a score of friends. He seemed to brace himself for one hearty shout of "night folks" and then sauntered down the stairway and was whisked away in an automobile.

Among the reports circulated was one that the jury had taken eight ballots. On the first six, it was ten stood for acquittal and two for conviction. On the last two, according to these reports, it stood eleven to one for acquittal.

Throughout the evening a crowd of half a thousand people waited in the smoke filled corridors to hear the verdict. It was a nervous, milling crowd for the most part, made up of men boys, dowagers and debutantes. Police and detectives moved continually through it.

## GREAT INTEREST IS SHOWN

First Rehearsal of Community Orchestra Sunday, 3 P. M.

Great interest has been taken in the call for the first rehearsal of the proposed community orchestra, which will be held Sunday afternoon at three o'clock in the court house assembly room. Miss Sarah McConnell, supervisor of music in the public schools, who issued the call, said today that the musicians of the city had shown the interest which is necessary to insure the success of the project.

Leaders of church and Sunday school orchestras, civic organizations and school teachers and officials all endorsed the movement before it was started.

## THREE MEN ARE FINED IN JUSTICE'S COURT

Charles Davis of Center Township Pleads Guilty to Profanity and Joe Mills to Assault

MILLER CHANGES HIS PLEA

Three men paid fines in Justice Stech's court today, when Charley Davis of Center township pleaded guilty to a charge of profanity, Joe Mills of Milroy pleaded guilty to a charge of assault and battery, and Silvertown Miller on a charge of evading a rooming house keeper.

Davis recently was arrested on three charges, one for trespass; assault and battery and profanity, and a jury found him guilty of the assault charge and assessed a fine, to which the defendant has taken an appeal to the circuit court. The charge of trespass was dismissed this morning.

Mills was charged with assaulting Richard Farlow and his fine of \$1 and costs was paid.

Miller had previously pleaded not guilty, but appeared today and changed his plea, and was fined \$1 and costs, which including the delinquent bill amounted to \$22.20.

The case of the State against Mrs. Alliene Emiley, set for this afternoon was continued. A surty of peace proceedings filed against her by Mrs. Thomas Turner, has been dismissed.

## ENTRIES EXHIBIT WIDE SHOW INTEREST

One Hundred and Twenty-Two in Poultry Department And Forty-nine in Hog Classes

OTHERS NOT ALL IN TODAY

The entries this afternoon in the various departments of the Rush County Products show, to be held next week, indicated a wide interest in the event.

The poultry department leads with 122 entries and the hog department is next with forty-nine. There were thirty-five corn entries and twenty-eight in the women's department. This number probably represents all which will be made in the poultry and hog classes because exhibitors were urged to have their entries in by noon today. Those in the other two departments were believed to represent only a small percent of what the total will be because most of them will be made when the exhibits are brought to the show.

The judge in the hog department will star Wednesday and the program will depend on the total number of entries. The breed with the largest number of entries will be the first one judged.

## SENT POISONED LETTER

Marion, Ind., Dec. 3.—Stating that Dr. Charles N. Brown of Fairmount sent him a poisoned letter from which he contracted smallpox, alleged to have been mailed by Adam V. Benbow, are the basis for a \$10,000 slander suit filed in the Grant circuit court by Dr. B. Ben prominent resident of Fairmount and formerly member of the board of county commissioners.

## GREENFIELD MAN NEW PRESIDENT

Roy R. Rodebush of Greenfield Elected Head of Sixth District Teachers Association Today

500 TEACHERS HERE TODAY

Richmond is selected For 1922 Meeting—Principal Address by Pres. R. J. Alely of Butler

Roy R. Rodebush of Greenfield was elected president of the Sixth District Teachers association, at the business session in the Graham Annex auditorium this afternoon, and Richmond was selected as the place for the next annual meeting.

The report of the nominating committee, recommending the place for the next annual meeting and fixing the date as the first Saturday in December, 1922, as well as suggesting the officers, was adopted unanimously.

A. J. Reifel of Brookville was elected vice-president and N. C. Heironimus of Richmond was elected chairman of the executive committee, which is composed of one representative of each county in the district. C. O. Williams of Richmond secretary-treasurer of the association, is holding office for a term of five years.

The annual meeting, which closed this afternoon with an address by Robert J. Alley, president of Butler college of Indianapolis, was attended by approximately five hundred teachers. Mr. Williams said the enrollment showed. The attendance was better than was anticipated and because of the size of the crowd, it was necessary to adjourn the general session this afternoon to the Graham Annex auditorium.

The morning session was devoted to nine sectional meetings which were held in the Graham high school building and were addressed by teachers from all parts of the district. The department sessions were as follows:

Primary, intermediate, (divided into history and language groups) grammar, (divided into history and grammar groups) high school language, fine arts, mathematics and science, high school principals, vocational, social studies and commercial section.

At 10.30, following the sectionals, there was a general session at which Rushville high school glee clubs provided a short musical program and the president's annual address was delivered by Miss Kathryn Enninger of Shelbyville. Committees were appointed before the noon recess.

On account of the large crowd, all of the teachers could not be accommodated in the basement of the Main Street Christian church where lunch was served by the women of the church.

The resolutions committee, composed of Lee O. Snook of Liberty, Claude Trusler of Connersville and County Supt. of Newcastle, was to report as the last order of business this afternoon.

The nominating committee was composed of A. C. Kibley of Shelbyville, C. C. Abernathy of Liberty, G. J. Bugee of Milroy, N. E. Heironimus of Richmond, Paul Overman of Newcastle, Z. M. Smith of Greenfield and T. R. Tomlinson of Brookville.

There was a 100 percent enrollment of Rushville and Rush county teachers and almost 100 percent from Fayette county.

## INHALES GAS. DIES

Marion, Ind., Dec. 3.—W. D. Fult, prominent insurance man, succeeded in committing suicide after several unsuccessful attempts. Fult is thought to have inhaled gas. Last spring Fult attempted to hang himself from a barn rafter but was cut down before strangling. Despondency over ill health is believed to have been the cause of his act.

## REMODELED AFTER FIRE

Dr. and Mrs. John Lee and family have moved to their home at 914 North Morgan street. The house has been remodeled following the fire which partly destroyed the building a few weeks ago.

### TAKE

## PEPSINCO

the best remedy for  
indigestion that ever  
came out of a drug  
store.

You know that pepsin  
is good for indigestion  
but pepsin could never  
do what PEPINCO  
will. We have dealt  
in medicines long  
enough to know the  
various uses and value.  
We unhesitatingly say  
that PEPINCO is the  
best remedy for indi-  
gestion, gas, flatulency,  
food distress, sour  
stomach and pains un-  
der the ribs, that ever  
came out of a drug  
store. Sufferers of  
indigestion and dyspep-  
sia will do well to take  
PEPINCO.

Ask your druggist—he will  
recommend Pepsinco.

## IN SYMPATHY WITH HARDING'S PLAN

Former Foreign Minister Believes  
Government Would Accept U. S.  
Invitation to Discuss Plan

### OPPOSED TO FRENCH SCHEME

By JOHN GRAUDENZ  
(U. S. Staff Correspondent)

Berlin, Dec. 3—Germany is en-  
tirely in sympathy with the Harding  
Association of Nations plan, Dr.  
Von Simons, former foreign minis-  
ter, declared in an interview with  
the United Press here today.

"The new slogan of the majority  
of German people is—'It shall not be  
again,' " Von Simons said. "For this  
reason Germany could not mobilize  
her forces for another war even if  
she wished."

Dr. Walter Von Simons said he  
could not conceive any German gov-  
ernment would not gladly accept Am-  
erica's invitation to discuss the as-  
sociation plan.

"As a jurist, I naturally favor ar-  
bitration of the courts," he declared.  
"I consider this as the only means  
of removing our danger and conse-  
quently consider Germany's former  
attitude at the Hague peace confer-  
ence as a crime."

"But I am opposed to a France  
which wants to make the League of  
Nations an administrative tool. I  
rather favor President Harding and  
Secretary Hughes who seem to plan  
a gradual development of the or-  
iginal Hague court."

### New York Stocks

(By United Press)

New York, Dec. 3—American lo-  
comotive was the feature of the in-  
dustrials on the New York stock ex-  
change today. At the opening this  
stock advanced to a new high at 98 1/2.  
General electric still showed traces  
of the discomfiture of a badly  
trapped short interest, opening at  
141 1/2 up 2.

Optimism was expressed over the  
prospect of accord on the naval  
program at Washington, but the  
market appeared to be paying more  
attention to its inside features than  
the general market.

Prices displayed a ragged front  
for rails, continuing the heaviness  
which characterized their action in  
the late trading on Friday.

While a heavy tone marked the  
dealings in the general list in the  
first half hour several specialties  
were strong. International harvester  
common sold above 81, reflecting the  
declaration of the regular quarterly  
dividend. U. S. Rubber was ready at  
50 3/4 following its gain of 13-8 in  
the previous session.

### Lost: 150 Hours

Chicago, Dec. 3—Chicago lost 150  
hours today.

That is the time which it is esti-  
mated was required by subscribers  
and operators in "hunting up" the  
extensive list of new numbers in the  
telephone books issued today.

Preparing for installation of an  
automatic system here the telephone  
company has changed all numbers of  
less than four numerals to four nu-  
merals.

For instance Dearborn 23, has  
changed to Dearborn 0023.

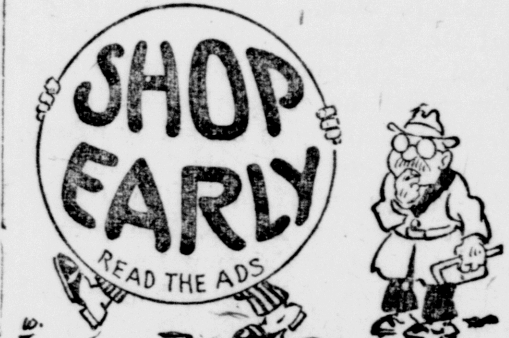

Figuring that it takes nearly a  
minute to find a number the 100,000  
new ones listed today required ap-  
proximately 150 hours to locate.

The 600,000th telephone also was  
installed today, making approxi-  
mately one 'phone for every five per-  
sons.

### Chicago Grain

### Weekly Marketgram

(U. S. Bureau of Markets and Crop  
Estimates).

Washington, Dec. 3—(For the  
week ending December 2, 1921).

Grain—Prices trended upward the  
first half of week influenced mainly  
by domestic and foreign reports of  
drouth and crop deterioration, but  
the market was unsettled the re-  
mainder of the week. French winter  
wheat acreage reported 30% less  
than last year. At close country of-  
ferings limited; export demand re-  
ported good. Closing prices in Chi-  
cago cash market; No. 2 red winter  
wheat \$1.26; No. 2 hard winter  
wheat \$1.15; No. 2 mixed corn 50c;  
No. 2 yellow corn 51c; No. 3 white  
oats 34c. Average price to farmers  
in central Iowa for No. 2 mixed  
corn about 34c; to farmers in cen-  
tral North Dakota for No. 1 dark  
northern wheat \$1.09 1/2; to farmers in  
central Kansas for No. 2 hard win-  
ter wheat 95c. For the week Chicago  
May wheat advanced 2 1/2c closing at  
\$1.17 1/2; Chicago May corn un-  
changed at 54 1/2c; Minneapolis May  
wheat up 1c at \$1.233-8; Kansas City  
May wheat up 2c at \$1.09 1/2; Winni-  
pego May wheat up 4c at \$1.133-8.

Hay—Hay market generally  
slightly stronger on light receipts.  
Demand continues limited and for  
immediate needs only. (Quoted De-  
cember 2; No. 1 timothy New York  
\$30; Atlanta \$27.50; Kansas City  
\$14; Chicago \$23; Minneapolis \$19;  
Memphis \$24. No. 1 alfalfa Kansas  
City \$21; Memphis \$24.50; Atlanta  
\$30. No. 1 prairie Kansas City \$11;  
Minneapolis \$15.50.

Feed—Wheat feed offerings for  
prompt shipment very light. Prices  
show some advance but demand lim-  
ited. Cottonseed and linseed meal  
slightly higher, gluten feed ad-  
vanced \$1, Dec. 1. Quoted December  
2; bran \$18, standard middlings  
\$18.50, linseed meal \$41, Minneap-  
olis, gluten feed \$32.65 Chicago;  
\$39.76 Boston, 36% cottonseed meal  
\$34 Memphis.

Dairy Products—Butter market  
firmer and have shown consistent  
gains during the week. Chicago  
market has displayed the greatest  
strength and on account of relative-  
ly higher prices there it is reported  
that numerous shipments are being  
diverted. Storage butter moving bet-  
ter as fresh prices advance. The  
weeks imports include around 116,  
000 from Denmark. Closing prices  
92 score; New York 46 1/2c; Chicago  
47c; Philadelphia 47 1/2c; Boston 49c.

Cheese markets quiet; prices bare-  
ly steady. Interest in held cheese in-  
creasing. Low quality fresh with  
seasonal defects hard to move. Pric-  
es at Wisconsin primary markets  
December 1, 1921. Young Americans  
and Longhorns 20c.

Cotton—Spot cotton prices de-  
clined 71 points during the week,  
closing at 16.96c per lb. New York  
December futures declined 75 points,  
closing at 17.25c.

Livestock and Meats—Chicago  
hog prices show net declines of 10-  
25c per 100 lbs compared with  
prices of a week ago, light hogs de-  
clined least. The less desirable ani-  
mals in most of the Grades of beef  
steers and heifers ranged from 15c-  
25c higher; those selling on the up-  
per registers of the various ranges  
declined 15-25c butcher cows ad-  
vanced 25c; feeder steers un-  
changed, veal calves up 50c-\$1. Fat  
lambs, feeding lambs and some  
grades of yearlings gained 50c-65c.  
Fat ewes up 25c-50c. December 2  
Chicago prices: Hogs top \$7.10;  
bulk of sales \$6.65-6.80; medium  
and good beef steers \$6.15-10; but-  
cher cows and heifers \$3.60-8.75;  
feeder steers \$4.60-6.60; light and  
medium weight veal calves \$6.50-  
9.75; Fat lambs \$9.25-10.75; feed-  
ing lambs \$8-9.15; yearlings \$6-  
9.15; fat ewes \$3-5.25.

Stocks and feeder shipments  
from 12 important markets during  
the week ending November 25 were:  
cattle and calves 68,265; hogs 4-  
668; sheep 36,825.

The general trend of eastern  
wholesale fresh meat prices was up-  
ward. Lamb shows net advanced of  
\$2-4; mutton \$1-3. Veal up \$1-2.  
Light pork loins firm to \$2 higher  
but heavy loins declined \$1.50-2 per  
100 lbs. December 2 prices good  
grade meats: Beef 13-15; veal 16-  
18; lamb \$21-24; mutton \$10-14;  
light pork loins \$14-18; heavy loins  
\$12-15.

Fruits and Vegetables—Potato  
haulings light. Prices advanced at  
eastern shipping points but declined  
in North and West. Bulk Maines  
now \$1.31-1.41 fob per 100 lbs.  
Sacked New Yorks up 5c at \$1.70.  
Michigan round white 5c lower at  
\$1.40-1.50. Idaho russets \$1.10-1.15  
per 100 lbs cash to growers. City  
markets steady. New York stock  
down 10c in Baltimore and Pitts-  
burg at \$1.95-2. Maine green moun-  
tains down 5c in Boston at \$1.85-

1.95. Chicago earlot sales northern  
round white steady at \$1.50-1.75.  
Minnesota red river Ohio, earlots  
up 10c-20c in Chicago at \$1.40-1.60  
down 15c in Kansas City at \$1.40.

Apple markets steady movement  
moderate. New York A2 1/2, baldwins  
from gold storage, \$7 fob shipping  
points. Fair quality stock in New  
York City up 50c closing \$6.50-7,  
steady in Philadelphia at \$7; down  
\$1 in Pittsburgh at \$6-6.50. Extra  
fancy winesaps wenatchee district  
firm fob at 2.10-2.15 ped box. John-  
thans extra fancy up 50c in Chicago  
at \$2.25-3.

Cabbage advanced in eastern  
markets, weaker in Chicago. Move-  
ment moderate. Danish type bulk per  
ton up \$2, fob western New York at  
40; up \$8 in Philadelphia at \$45-48  
down \$10 in Chicago at \$40-43. New  
York City sales range \$45-50, com-  
pared with top of 48 a week ago.

Eastern yellow onions steady in  
most markets but jumped \$1 in Phil-  
adelphia closing strong at \$6.50 per  
sack. Middlewestern stock up 25c in  
Pittsburgh at \$5-5.25. Western reds  
slow in Kansas City at \$5-5.50.

Virginia sweet potatoes advanced  
about \$1 in eastern markets, ranging  
\$4-4.50 per bbl.

Wreck at Porter, Ind., Last Spring Results in Manslaughter Charge

Valparaiso, Ind., Dec. 3—The engineer and fireman who drove the Michigan Central locomotive in the fatal Porter wreck February 27 will face manslaughter charges in court here Monday in connection with the death of 44 persons and the injury of 100 in the crash.

William S. Long of Jackson Michigan, engineer, and George S. Black of Michigan City, fireman, were on the northbound Michigan Central train which crossed the "diamond" at Porter an instant before the New York Central plowed through its center and are said not to have heeded the signals set against them. Towerman Joseph Cook who set the signals will testify for the prosecution.

The cotton boll weevil appeared in the United States in 1892.

## MOTORISTS SHOW REGARD FOR LAW

Reports Reaching Hoosier Automobile Headquarters Arouses Interest on New Light Law

MAKES NIGHT DRIVING SAFE

December 20 is Last Day And All Machines Must be Equipped With Deflecting Lenses

Indianapolis, Ind., Dec. 3—Reports coming in to the headquarters office of the Hoosier State Automobile Association from all parts of Indiana show a tremendous interest has been aroused by the announcement a few days ago concerning the regulations for automobile lighting, issued by Secretary of State Ed Jackson in conformance with the Acts of 1921. It is declared that the right-thinking motorists are only too eager to make night driving safe, not only for themselves but for the other fellows.

"In co-operating with Secretary of State Jackson, our part primarily is an educational campaign in all the state newspapers to inform the motoring public what is required under the new regulations", states A. G. Lupton, of Hartford City, president of the Hoosier State Auto Association. "Inasmuch as one of the chief aims of our association is safeguarding the highways both day and night and to make motoring conditions as nearly ideal as possible it is only natural that we should assist the state officials in this campaign."

It is announced that Dec. 20 will be the last day of grace, unless something unforeseen should intervene, and it is admitted that it will be some real task to get all of the more than 450,000 motor vehicles equipped with proper devices by that time. However, Secretary Jackson has urged that all owners should see their dealers or service stations at once and begin their compliance with the regulations.

Many of the devices which cars are now equipped will have to be replaced, it is declared, for no make-shift glare stoppers will be permitted. The old days when a lit-

tle spanish whiting smeared on plain glass might be called a glare stopper have now passed into history. Likewise paint and other devices which are only subterfuges will be relegated to the scrap heap along with the battleships. Likewise, it is stated, many cars which are equipped at the factory with so-called lenses will have to be refitted with approval devices because the factory equipment either is not so constructed properly to deflect the light or is in improper adjustment—or both.

It is important to note that certain lenses are specified as to type, or number this being because earlier lenses issued by these same manufacturers will not conform to the specifications. This will necessitate many changes from factory equipment. No diffusing type of lenses will be approved, it is declared.

"The importance of this campaign must not be underestimated," declares Mr. Lupton of the Hoosier Auto Association. "We all value our own lives and proper night lighting for motor vehicles means life saving not only for ourselves but for the other fellow. Any other view of this matter is the view of a selfish, reckless road hog, which sort of drivers the state of Indiana should proceed to get along without. Prompt co-operation on the part of all right-minded motorists will quickly relieve a great evil."

## JURY OUT FOR 19 HOURS, NO VERDICT

Continued from Page One

Mrs. Bambino Maud Delmont, "the avenger", who swore to a murder charge against Arbuckle, was arrested late yesterday on a charge of bigamy. She is alleged to have married Casius Woods without having been divorced. Stephen Hopkins, the alternate juror, said he would have adjudged Arbuckle not guilty.

Followers of the case believe the evident of E. O. Heinrichs the finger print expert, dealing with the finger prints of Miss Rappe with Arbuckle's alleged prints superimposed, was the point over which the jury was temporarily at least "hung".

St. Paul.—C. M. Flandreau, dramatic critic, didn't know that H. H. Dreiss is Mayor of Eagle Lake, Minn., and chief of police of Pine River when he criticized his slapstick dialogue act at the Orpheum. "If you are ever in the vicinity," wrote Dreiss, "I'll jug you shore as Hell."

Hardly a Beginning

The small part public improvements can play in solving the unemployment problem is shown by a simple computation based upon recent bond issues. The Department of Commerce reports that more than \$60,000,000 of municipal and \$10,000,000 in state bonds have been sold recently in 13 states, the money to be used for public buildings, road improvement, etc. If this \$70,000,000 were made immediately available and expended, and the average wage paid to carpenters, bricklayers, concrete mixers, etc., were only \$5 per day, the money would provide employment for the essential 3,000,000 of unemployed for less than five days. "Every little helps" and the public improvement work will help to some small degree, but it is not

RHEUMATIC ACHES  
QUICKLY RELIEVED

THE racking, agonizing rheumatic ache is quickly relieved by an application of Sloan's Liniment. For forty years, folks all over the world have found Sloan's to be the natural enemy of pains and aches.

It penetrates without rubbing. You can just tell by its healthy, stimulating odor that it is going to do you good. Keep Sloan's handy for neuralgia, sciatica, lame back, stiff joints, sore muscles, strains and sprains.

At all druggists—35c, 70c, \$1.40.

NAVAL EXPERTS  
FAIL TO AGREE

U. S. and Great Britain Think Facts Support 60 Percent Proportion but Japan Thinks Different

SHOULD NOT CAUSE ALARM

Poor Controversy That Cannot Find Experts to Support Both Sides—World is Turning

By WILLIAM JENNINGS BRYAN  
Copyright 1921 by United Press

The experts of the United States and Great Britain seem to think that the naval facts support the sixty percent proportion offered to Japan, but the naval experts of Japan seem to arrive at a different conclusion; in their judgment naval facts seem to support a seventy percent proportion. The world should not be alarmed at a failure of experts to agree. It is a poor controversy that cannot find experts to support both sides.

In a sanity trial the alienists are usually divided. One group see insanity in every movement of the accused; the other group see conclusive proof that the accused was rational when the deed was done.

Even health experts do not always agree. When Chicago wanted to send her sewerage down the canal and

through the Illinois river into the Mississippi St. Louis objected. St. Louis experts showed that the health of St. Louis was in danger, while the experts from Chicago demonstrated that the flowing water purified itself before it reached St. Louis and some insisted that the Mississippi river was even improved.

Don't bother about the experts. The important question is what is desired by the governments that employ the experts. Let the governments agree as to what is desired and the experts can get together and show how it can be accomplished most easily and most quickly.

What a thing discussion is—especially in the open. If Secretary Hughes had confidently communicated his disarmament proposition to the other powers and they had made private answer, the world would still be in darkness and in doubt as to the outcome of the conference but an open statement to the world brought an immediate response and the world turned about and faced toward peace. It used to be that great crowds gathered to witness the launching of a new battleship. As the "most destructive craft ever built" (as each new ship was described) plunged into the water for the first time a shout of joy went up from the watching multitude. What a change has taken place! They will soon begin the scrapping of battleships and larger crowds will assemble and the shouts will be louder still when the first hammers blow announces that the smashing has

When you buy your range—Buy a Lopper-Clad

commenced.

The pathway that leads from the lowest plane to which man can fall, up to the highest to man may rise, is thronged with travellers, some ascending, some descending. The question asked is not just where the traveller, but in what direction he is going. Those who are starting from the bottom will some day meet and pass those who are starting from the top. So there is a pathway leading from the abyss of war to the summit of peace. The question is not so much as just where a nation is, on that incline but whether it is descending or ascending.

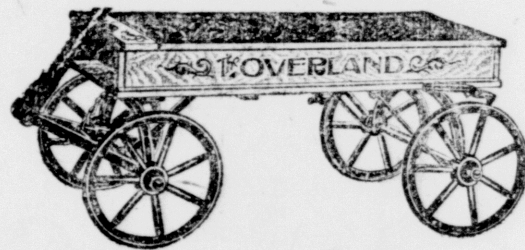

The world ascended until it could

look down into abyss of international bankruptcy. It seems to be turning and this conference will mark a change in direction. The conference deliberations will not take the world to the top, but it seems now certain that the upward progress will be great enough to make a world rejoice in the belief that war will be put on the road to ultimate extinction.

## REPUBLICAN'S SNAPPY SPORT STORIES

HENRY FARRELL  
HEZE CLARKWILLARD DROPPED  
BY TEX RICKARDFight Promoter Says He Will Look  
Elsewhere For The "Second Battle of the Century"

## WILLARD WON'T REPLY

Rickard Says Oil King Refuses to  
Return Fight Contract Which Was  
Sent Him RecentlyBy HENRY FARRELL  
(By United Press)

New York, Dec. 3.—Big Jess Willard can go right along digging up oil as far as Tex Rickard is concerned. The boss of Madison Square garden is off the big Kansas and is looking elsewhere for the second "battle of the century".

"I've passed up the Dempsey-Willard bout because I can't do business with Willard. I can't get any kind of an answer from him. He has the contract I sent him and I guess he's forgotten it", Rickard said today.

The big promoter just gave one of his characteristic chuckles when asked about the \$2,000,000 gusher the former heavy weight champion found parked in his back yard.

"I know a few things about oil" he added with a grin.

As far as being the stage for another heavy weight champion, the Jersey City arena won't be much good next summer, Rickard believes.

"I can't see a good bout for Dempsey that would be a card for the arena. The only heavy weight in sight now is Fred Fulton and he's not enough of an attraction to fill the stadium", Rickard said. "Fulton ought to be a good card for the Garden and I wouldn't mind putting him on with Dempsey if he would go out and work himself up a little bit".

Despite the stories of Carpentier's disability being cabled from France, Rickard insists that the European heavy weight champion is coming back in February to meet Tommy Gibbons.

BOXING MATCHES ARE  
SCHEDULED FOR CITYThere Bouts Will be Held at Modern  
Appliance Dec. 15 Under Auspices  
of American Legion

## FOR 10 SIX AND FOUR ROUNDS

Rushville boxing fans will have their first opportunity in many years to see a boxing match here, Wednesday night, December 15, when three bouts will be put on at the Modern Appliance building by Joe (Melcher) of Anderson under the auspices of Rush post No. 159 of the American Legion.

The premier of the boxing card will be a ten-round go between Louis Lazelle, said to be a light weight champion of Indiana and Ohio, and Jake Barnhart of Terre Haute.

The other bouts will be between Paeky McFarland, formerly of Chicago and Joe Keisling of Anderson, and Battling Dewey and Kid Russell, both of Anderson.

The McFarland-Keisling battle will be for six rounds and the latter one for four rounds.

## LIBERTY FIVE ORGANIZED

Colored Basketball Team Play First  
Game at Oxford, O., Tonight

The Liberty Five, a fast colored team of this city has organized for the season, and will play their first game tonight, when they journey over to Oxford, O. to meet a fast team of that city. The team which has been practicing, shows considerable strength, and Everett Castleman and Mathew Chastine of Connersville will hold positions on the team. Both are experienced players.

In the game tonight, the Liberty Five will line-up with John Willis and Frank Willis at forward; Roy Willis at center; Mathew Chastine, back guard, and Everett Castleman, floor guards.

## TO TRAIN AT SAN ANTONIO

New York, Dec. 3.—John McGraw's champion giants will train in San Antonio and will play fourteen pre-season exhibition games with the Chicago White Sox the club announces.

## Sportsmanship

To overcome the unsatisfactory results that always attend an athletic contest with Connersville, Rushville high school authorities would do well in the future not to schedule any more games with our neighbors on the east. Friday night's basketball game proved no exception to the rule, when scores of Rushville people were turned away from the rink, after they had not been given an equal chance with Connersville people to get seats and had not been permitted to buy reserved seats.

Many returned from Connersville Friday night determined never to go to that city again for any kind of a game. They have received the same unsportsmanlike treatment so many times that they are convinced that Connersville does not try to do better.

Local school authorities asked that a section be reserved for Rushville fans. They were refused, but Connersville held out as a sop the promise that the doors would not be opened until seven o'clock that Rushville people would have the same chance as Connersville people to get inside the rink.

But Connersville did not keep its word. The special car from Rushville arrived in Connersville at 6:23 and most of the crowd from here was milling around in the jam outside the door by 6:30. Then the doors had been open for some time and the rink was practically filled. A few Rushville people got inside the door and the high school band was permitted to enter, but could not get together to play with any satisfaction.

Connersville deserves the same treatment when they play here January 27, but Rushville is not built that way and will most likely give their fans a fair show, as they always have in the past. The best way to overcome the annual grudge which naturally follows a Connersville game, is not to schedule any more with them until they learn how to act differently.

Carthage has the old spirit. Word was received today that 200 seats had been reserved for the game between Rushville and Carthage next Friday night. This is almost half the seating capacity of the Carthage auditorium.

## TO MEET LIBERTY TONIGHT

Rushville Will Take on Union County  
Lads For Their First Game

The Liberty high school basketball team will open their season here tonight, when they meet Rushville at the Graham Annex gymnasium. On account of it being the first game for Liberty it is not known here what kind of a team they have, but in the past the Union county aggregation has always been good fighters. On account of the hard game last night, the locals may be a little off, and the visitors might spring a surprise.

In the curtain raiser tonight at 7:15 the second team from Rushville will play the Everton high school team of Fayette county.

## TILT PREVENTS A TIE GAME

Milroy Not Permitted to Toss Foul  
Goal After Whistle Blows

The Waldron high school won from Milroy last night at Waldron 21 to 20, in a game that almost ended in a tie, and which should have been a tied game, according to spectators who witnessed the contest. A foul was called on Waldron just as the final whistle blew, and Milroy was given an opportunity to toss the goal, but the crowd of Waldron fans rushed out onto the floor, and prevented the free throw and a tilt followed which resulted in Coach McCullough taking his players off the floor.

The free toss would have given Milroy an opportunity of tying the score and a five minute overtime would have resulted.

## LEAVES FOR ENGLAND

Paris, Dec. 3.—Georges Carpentier left today for England to start training for his fight with George Cook, Australian heavy weight scheduled for Jan. 12. The Frenchman said he felt good and was ready to get into hard training.

RUSHVILLE LOSES  
ON HER FREE SHOTSInability to Make Fouls Count For  
Goals Responsible For Defeat  
at Connersville, 23 to 13

## LOCALS HAD TWENTY CHANCES

Locals Battle Opponents to 10-10  
Tie in Last Half But Are Unable to Overcome Lead

Inability to toss free shots lost the game last night at Connersville, when Rushville lagged behind five points when the final whistle blew, the score being 23 to 13, in a game that was fast and furious from start to finish, with a record of 34 fouls being called during the game.

Fourteen fouls were called on Rushville players and 20 on Connersville players, but the local tossers failed to convert them in points, missing 14 chances, one-half of which would have won the game.

The local high school was well represented with two car loads of fans and the high school band, but on account of the small accommodations many from this city did not get to see the contest. It was the first game to be played in the remodeled rink, but the seating capacity was limited to about 500 seats.

Rushville drew first blood in the game, when within a few seconds of play Casady stepped forward and made a two point counter. In a few more minutes of fast playing Robinson for Connersville evened up the score when he took a long shot from the center.

Phillips missed two chances on foul goals but Ridge for Connersville counted on a foul, and soon afterwards repeated giving Connersville a two point lead. Williams for Connersville also tossed a foul, and Crimm missed a couple of free throws in the meantime.

Casady made the first foul goal, when he located the basket. Connersville took a spurt and got eight points while Rushville was trailing with three, but Pugh stepped in the center rush for two baskets from near the foul line that boosted Rushville to seven points.

Williams for Connersville took two long shots for the basket, and they went through clear and Ridge counted on a foul goal. Casady missed a couple of foul chances, but just as the time was up for the first half, Pugh threw a foul, that made the period end 13 to 8 in Connersville's favor.

The five point lead could not be overcome, although in the last half each team battled to a tie with ten points each. In the last half Rushville had 11 chances on free shots, but made only 4 of them.

The locals made a big effort to go in the lead in the last half, and Pugh counted first with a foul, and soon repeated with another one, leaving the locals only three points behind. Connersville managed to run up the score to 16, but Pugh again counted on a field basket.

Connersville boosted their score to 22, with Rushville trailing at 12, and

Game Friday Night on Own  
Floor, 13 to 11

## COOK LEADS IN SCORING

The Fairview high school team lost to Cambridge City last night at Falmouth, in a game that was fast and hard fought, the final count being 13 to 11. The first half ended 11 to 7 in favor of the winners, and in the last period Cambridge City made only two points on foul goals.

Cook for Fairview, led the scoring with nine of the points, throwing seven out of nine fouls, and counting a field marker. Chatman for the visitors scored seven points.

In the curtain raiser the Fairview second team won from the Gings team, 9 to 6.

The line-up and summary:

Cambridge City (13) Fairview (11)  
Chatman -----F----- Cook  
Ellisbury -----F----- Custer  
Bumfield -----C----- Boyd  
Dairy -----G----- Darnell  
Mail -----G----- McClain

Field goals, Cook, Parker, Chatman 3, Ellisbury 3. Foul goals, Cook 7, Chatman.

Substitutions, Parker for Boyd. Referee Titsworth.

TO UNSCRAMBLE  
SCHEDULE PUZZLEWestern Coaches Meet in Chicago  
to Arrange Games in All Branches  
of College Sports

## SOME DATES ALREADY FIXED

Changes in Rules Are Also Discussed—Football Schedules Not  
to be Altered MuchBy KENNETH CLARK  
(U. P. Staff Correspondent)

Chicago, Dec. 3.—Western coaches unscrambled the schedule puzzle here today. Besides drawing up schedules for football, base ball, swimming and track, athletic directors of western schools discussed changes in rules.

Two important versions brought up were:

Lengthening of the baseball season from seven to eight games by an early start; permitting students to play professional baseball in the summer and still retain their amateur standing.

The shift which was objected to when Notre Dame and other western teams played in the east will not be abolished.

Iowa will probably go east to meet Yale on Oct. 14, Coach Howard Jones stated unless a conference game should interfere with that date.

The Princeton-Chicago game will be played on Oct. 28, at Stagg field one week later than this year's game.

Generally foot ball schedules were not expected to be altered greatly from this year.

Minnesota, after three bad years found it difficult to place games with so-called first division teams.

Iowa this year's champion endeavored to take on two additional important conference games in order to avoid charges of playing a light schedule. Coach Jones sought games with Ohio State and Wisconsin.

If these games are scheduled Iowa may drop Notre Dame. Jack Wilce, Ohio mentor seemed favorable to an Iowa game. There were no indications that Ohio would resume relations with Wisconsin, broken last year. Wilce said he expected Ohio to have a schedule about the same as this year, with probably not so many home games. Illinois will be the last game of the season this year as usual.

Failure of the east to support the national intercollegiate track and

field meet held at Stagg field this year, will result in small return from the mid west in the relays in the spring.

Indoor swimming and track meets will undoubtedly be awarded to Northwest again. The date will undoubtedly be awarded to Northwest again. The date will be about the middle of March. The annual indoor relay carnival will be held at Illinois shortly afterwards.

Coach Rockne of Notre Dame announced his team would play the Army on Nov. 11 and Nebraska at Lincoln on Thanksgiving day. Rutgers will be dropped.

MOSCOW WINS ON  
CARTHAGE'S FLOORHigh School Team Defeats Ripley  
Township High School Lads by  
One Point Margin

## CONTEST CLOSES ALL THE WAY

The Moscow high school basketball team defeated the Carthage high school Friday night on the Auditorium floor in Carthage by the close score of 34 to 33, in a grueling contest which held the crowd spell bound during the closing minutes of play.

The two teams were evenly matched throughout and the first half ended 20 to 18 with Moscow in the lead. Until about ten minutes before the end of the game Moscow was leading by seven points, but a few seconds before the close, their lead was cut down to a lone point. In the curtain raiser the Carthage second team won from the Moscow second team, 11 to 3, and Webb defeated Center 37 to 9.

One of the biggest events in the season will take place next Friday at Carthage when Rushville goes there for a game, it being the first time in seven years that the locals have played in Carthage. A balcony is being added to the Auditorium and will accommodate more than 200 reserved seats. It also is announced that 200 seats will be reserved for the Rushville rooters and the high school band.

## SILENT HOOSIERS LOSE

The Knightstown high school basket five defeated the Silent Hoosiers in a game at Knightstown last night 20 to 18. The score at the half was 12 to 8 in favor of the Hoosiers. The game went two double overtime periods. The Hoosiers play Perry Center high school tonight.

## NEW SALEM WINS EASY ONE

New Salem high school won from Glenwood last night in easy fashion, the score being 16 to 2. The game was played at New Salem, and Glenwood was handicapped by the absence of Daily, their center, who was injured this week in a game played at Glenwood. In the curtain raiser the Webb Girl's team won from the New Salem girl's team by a score of 8 to 5.

SOCIETY

Edited By Miss Edna Krammes  
Phone 1111

Mrs. Grover Herse entertained the Ladies Aid Society of the Raleigh Christian church Thursday with a pitch-in dinner. The day was spent in a social and business way. Election of officers for the coming year took place. Forty-one members and guests were present for the affair.

Mr. and Mrs. John Nelson, entertained with a delicious two course oyster supper Thursday evening at their home northeast of Arlington. The guests were the Misses Mary Metsker, Mary Johnston, Mildred Archer, Marguerite Plummer, Marian Tittsworth, Blanch Hardin and Augusta Welker and Denning Nelson, A. R. Croftsman and Mr. and Mrs. T. R. Lee.

The Tuesday Study club of Washington township entertained their husbands and families Wednesday evening at the home of Mrs. Thomas H. Ertel. A delicious six o'clock turkey dinner was served following a very interesting program consisting of a playlet, readings and songs.

Musie was furnished by the Raleigh orchestra. Miss Lucile Bowen and Miss May Taylor, Mrs. Sarah McBride and Mrs. Robert Hinchman of Rushville were guests.

Twenty ladies were in attendance at the all day meeting of the Ladies Aid Society held in the Sexton hall Thursday. A bountiful pitch-in dinner was served at the noon hour. Quilting and comfort making was the feature entertainment for the day. Those present were Mrs. Frances Smith, Mrs. Orville Porter and children, Mrs. Ode Winkler, Mrs. Sam Kirkpatrick, Mrs. George Rhodes, Mrs. Adda Enos, Mrs. Carrol Clifton and daughter, Mrs. Jerry Roby, Mrs. James Linsey, Mrs. Vester Casey, Mrs. Harry Land and baby, Mrs. Elmer McCarty, Mrs. Omer Thompson, Mrs. George Kendall, Mrs. Charles Culbertson, Mrs. Elsworth Kiser, Mrs. Virgil Longfellow, Mrs. Sol McBride, Mrs. Marion Pratt and Mrs. John Quirk. The meetings of the society are held weekly each Thursday afternoon from one until four o'clock.

A Column for Card Players

and Question Box—

Conducted by Hoyle, Jr.

Address questions about any game to Hoyle, Jr., The Daily Republican. Answers will be mailed promptly. No questions answered unless signed with name and address.

Auction Bridge — No. 4

"He who hesitates is lost"

Should there be a question between a minor make or a no-trump declaration, the latter is preferable, for while the risk is greater, the game is more in trick score, and the loss is no greater in penalties.

Standard For Diamond

1. Six diamonds, including one honor and one trick in another suit.

2. Five diamonds, including three honors.

3. Five diamonds, including four honors.

Standard for diamond make will also cover the standard for club make.

In Auction the opening bid is a free one and should be made from strength more than length, and the information should be accurate. Later bids are according to information gained by the later bidding or conversation of the game. No-Trump is always sought for, as any good card in partner's hand will assist. It shows a good holding of high cards. It requires fewer tricks to win the game. It cuts out the smaller bids, in other words, the "Pikers."

Do not be afraid to bid one no-trump, even though short in major suits. Opponents may bid the suit you are weak in. You may then change your bid, but you have informed your partner.

A bid of two in any suit means it is best to play the hand in that bid. The state of the score should never be lost sight of for a moment, for that is the goal of every good player in any game, and especially so in Auction, where the 250 bonus for winning the rubber is a prime object.

How to Estimate a Hand

Dealer's Hand

Spades—A., Ten, and two small cards

Hearts—K., Q., Ten and 3 small cards

Diamonds—Q. and one small card

Clubs—One small card

Esti- mated mated Tricks

2

5

0

0

7

6

In the above hand you must:

Count a loss for King and Queen of Spades.

Count a loss for Act of Hearts.

Count a loss for Act of Clubs.

Count a loss for Ace and King of Diamonds.

With hearts as trumps in this hand, or any suit as trumps, count a loss for each missing Act, King or Queen, as long as the hand can follow suit. Whatever is left in each suit count as estimated tricks. Add to your estimated tricks the one you have the right to expect from your partner—and you have the value of your hand. I have found this method of valuation to be almost infallible.

Having two suits to declare, usually take the weaker. The stronger suit will always be good—the weaker is strengthened by making it trumps.

When the hand has a "singleton," or a missing suit, the bidding should

not be high, unless you hold six or more of the trump suit. You cannot afford to be forced, as it will weaken the trump holding.

The hand may be overbid one trick if it contains four honors in the suit, or if it is the rubber game. The honor score may more than equal the loss, and you can afford to risk the loss of 50 to 100 penalty score on the rubber game for an even chance to win it.

In no game does circumstance play so important a part as in Auction. Upon what has been bid depends what must be bid. A player may often buy the make at a low price, but beware of the cheap buy, for there is generally some good reason why opponents do not make at least one bid. They may be lying low to yet your make stand. It is not good policy to double a one-trick bid, as the original bidder will then realize his danger and change the suit.

The third hand—dealer's partner—should be ever watchful, ready to help his partner, the dealer, raise any bid he may have made. Always bear in mind, however that the dealer has counted on one trick in his partner's hand.

In other words, endeavor to combine the strength of the two hands. One hand may be utterly worthless, but with combination, many tricks may be won. While many card games are partnership affairs, none permit such perfect teamwork as Auction. Indeed, it is the unity and harmony of the two hands that make for success, and exemplify the old slogan, "United we stand; divided we fall."

Do not raise partner's bid on trumps strength alone, as he has trumps himself. Your best assistance is in extra tricks in outside suits.

Also, be careful not to raise partner's bid when you hold a singleton. The suit that your hand is short in may weaken your partner's trump holding, by using his trumps to ruff the opponents' suit in which you have the singleton (or sneak).

When third hand and partner bid one no-trump, and you hold a hand without a trick or a "bust," if you have a five card suit take partner off the no-trump by bidding two in the long suit. If his hand is strong he may go two no-trump, without extra loss.

Questions and Answers

Q. What is a ruff and cross ruff?

A. Ruff is a condition in which one player can trump a suit his partner leads, (holding none of the suit led).

Cross-Ruff is a condition in which two partners alternately trump the other's lead (also called "see-saw").

Q. What is a singleton?

A. The only card of a suit dealt to a hand, also a "sneak."

A. Thirty or more trick points constitute a game. All points in excess of thirty are counted by the side winning them, but only one game can be won in a deal.

## UNION PACKERS UNDER STRIKE CALL MONDAY

Orders Calling Out Thirty-Five Thousand Employees to Protest Wage Cuts, Are Issued

### IN MINORITY, PACKERS SAY

(By United Press)

Chicago, Dec. 3—Thirty-five thousand union employees of packing plants are under orders today to strike Monday for recognition of the union and against wage cuts. The orders were issued by C. J. Hayes, international president. The packers according to Hayes, have refused to deal with union officials in matters of wages and working conditions and have organized "company unions."

Recently the "company unions" accepted wage reductions which were not sanctioned by Hayes or other officials of the Amalgamated Meat Cutters and Butcher Workmen of North America.

Packers say that members of Hayes union are in the minority and that a strike will make little difference in the operation of the plants.

Cities which will be hit by the strike include Chicago, St. Joseph, Kansas City, East St. Louis and St. Louis.

## AMUSEMENTS

### George Walsh at Mystic

Once George Walsh sets out for adventure we can be sure he is going to find it a plenty. In the exciting Fox picture "Blue Blood and Red", which will be shown at the Mystic today, he plays the star role is, one that affords him a vast amount of room for action, and he does not allow an opportunity to slip by.

If the hero's father had not ejected him from the paternal home for an act of youthful foolishness there would never have been any occasion for the story. However, rich fathers sometimes will become angry, and George Walsh as Monty Brookledge finds himself free to roam the west in his white roadster with his valet, and a paucity of the necessary here. That does not faze his daring spirit, however, for he enters the ring with a professional pugilist and wins a \$100 purse that has been offered.

Later a leaky radiator brings him face to face with the heroine, Mildred Demarest, and her jolly father. George's daring and keen sense of humor win him a berth at the Demarest ranch, where he woos the attractive daughter of the wealthy ranchman. The foreman of the ranch objects to this procedure and plans to make away with some money and shift the guilt on Monty. The foreman finds, however, that he has tackled the wrong sort of man for that. Walsh comes out with flying colors.

### Chaplin in Dual Role

"The Idle Class", Charles Chaplin's latest comedy for Associated First National release, which will be shown at the Princess Theatre again today, is a travesty on the foibles of the wealthy, and gives the famous comedian plenty of opportunities to manufacture laughs of the side-splitting variety.

The picture is unlike anything that Chaplin has done before. Although in part of it he wears the costume which has made him a familiar figure all over the world—the baggy trousers, the No. 20 shoes the derby hat and springy cane, other scenes show him wearing a silk "topper", a frock coat and the rest of the habiliments of the "idle rich".

Most of the action takes place on the golf links and in the home of a wealthy man. The manner in which the inimitable Charles plays golf makes one roar with laughter until the tears come. His bag contains only two golf clubs, but he manages to play the game nevertheless.

Later at a masquerade Charles plays a dual role, in one of which he finds it quite a protection when he arouses the wrath of the husband of the woman whom he falls for.

## MAKES FEET FEEL FINE!

The instant you apply a little strip of soothing Red Top Callous Plaster to that sore, "achey" callous, corn or bunion, you'll forget your foot troubles.

**RED TOP CALLOUS PLASTER** removes hard growth by painless absorption, takes out swelling, soothes, pain and you walk with comfort from the start. RED TOP is the sure, safe way to foot comfort—it's simple, easy to apply, comforting to wear. Save relief or money back. Money refunded in 24 "handy" days. Money back.

## ARMY PLANS TO SET RUSHVILLE ON FIRE

Colonel Addie of Chicago and Cap-  
tain Westbrook of Texas Coming  
to Conduct Revival

TO BE HELD DECEMBER 7-12

The Salvation Army is planning  
to set Rushville on fire, in a spiri-  
tual way, during their series of  
meetings which they will conduct at  
the chapel in South Pearl street  
December 7 to 12. Arrangements  
have been completed for the services  
which will begin each evening at 7:30  
o'clock.

Colonel Addie of Chicago, evan-  
gelist, and Captain Westbrook of  
Texas, will conduct the services.  
They have been conducting very  
successful meetings in Newcastle  
and Richmond and come here high-  
ly recommended. Col. Addie has been  
in the Salvation Army service over  
forty years.

On Wednesday evening, Dec. 7,  
the first meeting, an open air meet-  
ing, will be conducted in the down-  
town district followed by services  
at the church. On December 12, the  
last meeting, Colonel Addie will  
render his famous address on "Mod-  
ern Miracles," which is said to be a  
very eloquent lecture. This meeting  
will be conducted in the assembly  
room of the court house, to which  
the public will be invited.

Envoy Ellis, who is in charge of  
the Salvation Army in this city,  
cordially invites the public to all of  
these meetings and is working hard  
to make these meetings a success.

Envoy Ellis has found a family in  
desperate circumstances in this city  
that is in need of a stove and car-  
pet for their home. Any one in this  
city who has a stove or a carpet  
which they would gladly give to  
this family are requested to notify  
either the Salvation Army captain  
or the Daily Republican office.

## ELECTION CONTEST CASES TO BE HEARD

Suits Charging Violation of Corrupt  
Practice Act Involves 14 Demo-  
crats in Evansville

TRIAL BEGINS ON MONDAY

Evansville, Ind., Dec. 3—Suits  
contesting the election of Mayor  
Benjamin Bosse and thirteen other  
successful democrats will be heard  
in the Vanderburgh circuit court  
Monday. The successful democrats  
are charged with irregularities in  
the city election November 8.

There is only one democrat whose  
election will be contested. He is the  
councilman from the first ward.

Attorneys who are in charge of  
the contest suits said that action  
arising from election irregularities  
might take any or all of the three  
following courses:

(1) Contest to seat apparently elec-  
ted republican candidates.

(2) Filing of suits by defeated  
candidates, or by ten qualified vot-  
ers.

(3) Prosecution under indictments  
that might be brought later by the  
grand jury.

They will act on the ground that  
the democratic candidates violated  
the corrupt practices act. Conviction  
would disqualify them for office.  
There is some conjecture as to what  
would happen should the Mayor be  
disqualified. Some say the city con-  
troller would succeed him just as he  
would if the Mayor should die.

## MAY REVISE TARIFF RATE

Emergency Relief Measure For Am-  
erican Business to be Sought

Washington, Dec. 3—President  
Harding may shortly ask congress to  
authorize him to revise tariff rates  
by executive order as an emergency  
relief measure for American busi-  
ness.

Harding is considering this in con-  
nection with his message to Congress  
next Tuesday. The message will deal  
emphatically with the need for im-  
mediate tariff legislation to pull  
American business out of its present  
depression.

### BOY'S FUNERAL SUNDAY

The funeral services for John Law-  
rence McKee, son of Mrs. Lena Mc-  
Kee of Indianapolis, who died yester-  
day morning following an opera-  
tion for appendicitis, will be held  
Sunday afternoon at two o'clock at  
the M. E. church in Orange, instead  
of Monday afternoon as announced  
yesterday.

## LEAGUE OF NATIONS BROUGHT TO LIFE

President Harding Will be Urged to  
Submit Covenant to Senate With  
Americanized Reservations

TO ORGANIZE NEW SENTIMENT

Nebulus State of Association Plan  
Not Developed in Detail Gives  
President Good Opportunity

By LAWRENCE MARTIN  
(U. P. Staff Correspondent)

Washington, Dec. 3—The League  
of Nations issue has been brought  
back to life in the Senate and the  
country at large by Pres. Harding's  
announcement that he hopes the  
arms conference will develop into an  
association of nations. Harding will  
be urged to submit the league cove-  
nant to the senate with Americaniz-  
ing reservations. Influential league  
advocates are preparing to organize  
anew the public sentiment in the  
country for the league. The sugges-  
tion of such a possibility rouses vio-  
lent opposition among Senators, but  
there are still many who believe en-  
trance into the League of Nations  
the best thing for the U. S.

Harding may find himself urged to  
this course by three of his most in-  
fluential Republican friends—M.  
Hughes, Root and Taft.

The nebulous state of the associa-  
tion plan which Harding himself  
says he has not developed in detail  
gives him a good opportunity,  
League advocates hold, to entertain  
the existing League under proper  
safeguards.

Advantages of this course, league  
advocates say include:

1—European and South American  
nations already in the League would  
not abandon the League to Hardings  
association but they would agree to  
almost any conditions specified by  
the U. S. for its entrance into the  
existing League.

2—The existing League is well un-  
derstood by the American people  
and in an Americanized form, would  
be acceptable to them.

3—The existing League has defi-  
nite limits to its authority, whereas  
the outline given by Harding of his  
Association means to contemplate  
practically no limits to the scope of  
the organization and no check upon  
its powers.

## INCENDIARY FIRES SHOW A DECREASE

Record in Fire Marshall's Office Re-  
veal Results of Efforts to Pre-  
vent Arson

23 REPORTED LAST YEAR

Indianapolis, Ind., Dec. 3—Arson  
on Indiana farms has decreased  
more than sixty percent in the past  
five years, records in the office of  
Newman T. Miller, state fire marshal  
showed today. In 1915 the number  
of incendiary fires on Hoosier farms  
was 59, while last year only 23  
such fires occurred. The marked re-  
duction is assigned to the activities  
of the state fire marshal's depart-  
ment in curbing arson in this state.

"The farm firebugs wings are  
rapidly being clipped," State Fire  
Marshal Miller asserts. "Coopera-  
tion between local officials in all  
parts of the state and the state fire  
marshal's department has resulted  
in his extraordinary record. Indiana  
holds high position in the list of  
states on arson reduction and the  
department will pursue a vigorous  
policy in connection with local of-  
ficials in stamping out arson."

Indiana is rapidly becoming an  
"arsonless" state. Local authorities  
everywhere are assisting in the ac-  
tivities to clip the fire-bug's wings.
